Background To Betrayal! New Edition!

by Lt. Col. Gordon (Jack) Mohr, AUS Ret.
(A Message of Warning to Sleeping Christian Americans!)

'A wonderful and hordble thing is committed in the land; the prophets (preachers) prophesy (preach) falsely and the priests (poiltical leaders) bear rule by their means; and my people love to have it so; and what will ye do in the end thereof?" - **Jeremiah 5:30, 31**

Background To Betrayal!

The word **BETRAYAL**, going "hand in hand" with **TREASON**, is no longer a popular word in the English language. Once looked on as a heinous sin, it has become so common place in the nations of Christendom, that it seldom raises eyebrows anymore.

ln Isaiah 58:1, God's messengers are admonished to: "Cry aloud! Spare not! Lift up thy voice like a trumpet, and show my people (Israel) their transgressions".

This is no longer popular, and for the most part, our pastors have refused to do this. As a result, the patient is very sick, and is in extreme danger. Unless something is done soon, he will die a horrible, painful death!

But the strange and alarming fact is that the doctors we have put in charge of the patient's welfare, (and of course we are speaking about the United States and Canada in particular) have betrayed his trust. In fact, they are doing everything in their power to weaken him and hasten his demise. They have allowed quacks to dictate his treatment, which has become detrimental to his recovery.

"A serious charge", you say, and indeed it is! Especially since it is true!

This patient is very dear to most of us, for it is our land. The men we have put into office for the past eighty years, for the most part, whether Republican or Democrat, have allowed the enemy to infiltrate our government and dictate the course of our nation. Their ultimate purpose is to destroy this Christian Constitutional Republic. They openly brag about their nefarious plans!

We all know that America is hopelessly in debt! In spite of all the words we hear from Washington, about "balancing the budget", our government leaders know this is impossible as long as the Federal Reserve is in charge of our economy. We have been sold a "moral code" which stinks of death and corruption, often promoted by "frocked devils", who stand behind the pulpits of some of our most prestigious churches, masquerading as Christian shepherds, when in reality they are henchmen of the devil.

In order to hasten the demise of the patient, measures are being constantly passed by a "captive" Congress, (recently a high ranking Israeli official boasted: "We have the best Congress money can buy!") which are turning citizen against citizen through a heathen philosophy which has invaded this once Christian nation from Eastern Europe, which was designed to enslave us under their New World Order.

The "loud mouthed" liberals with their high sounding talk about "loving everyone", and "all men are created equal", have very little love for the Blacks, the Indians or the Chicanos, and by their own actions are preparing these people as "cannon fodder" in a coming racial war, which will make Bosnia and Rwanda look like Sunday School picnics in comparison. Listen to Article II, par. 5, in their "Plan for World Conquest!" 'Through the press we have gained the power to influence while remaining ourselves in the shade; we have the gold of the world in our hands, not withstanding that we had to gather it out of oceans of blood and tears. But it has paid us! Although we have sacrificed

thousands of our own people, each victim on our side, is worth in the sight of G-d, a thousand of the goyim" (Non-Jew animals). In 1858, a Rabbi Reichhorn, head Rabbi of France, at the funeral of another rabbi, said: "Wars are the Jews harvests! With them we kill off the Christians and gain control of their gold. We have already killed 100-million of them, and the end is not yet".

Maybe you are one of those "brainwashed" people who can look at the terror of Bosnia or Rwanda, and say: "It will never happen here!" But it is happening, right before your eyes, if you would only be willing to open them and see the truth! It does not take an extremely intelligent person to see the disintegration of America taking place before our eyes, and when you see this, you may be able to understand the significance of Khruschev's words years ago, when he stood behind the podium of the U.N. in New York City, pounding on it with his shoe, as he screamed: "We will bury you!" Or maybe you are one of those "brainwashed sheeple", who believe that "Communism is dead!"

Most American politicians, and of course the gurus of the media, put down words such as those of Khruschev, as the ranting of a little peasant. Yet when he returned home, according to Pravda, he stated: "I went to America and spit in their face, and they thought it was dew!" So much for our political brilliance! As a result, in spite of all you hear to the contrary, the previous Communists countries, are all controlled today by "hardnosed Communist Jews" who hate our guts, and wish for our destruction! They say so openly!

As far back as 1949, Dmitri Manualisky, head of the United Nations Security Force, from his position as Under Secretary of Military and Political Affairs of the U.N. said: "Communism and capitalism cannot long exist side by side. We are not strong enough now to destroy them (the U.S.) so we will begin by producing the greatest peace offensive the world has ever seen. There will be unheard of concessions on our side, and the Capitalist nations, stupid and decadent, will leap at the chance to be our friends; they will rejoice in their self-destruction. Then, when their guard is down, and they have gone to sleep, we will **SMASH** them with our clenched fist!"

While that boast was made over 45 years ago, our government, while spending hundreds of billions of dollars on defense, has actually saved them from economic disaster on at least fourteen major occasions, using your tax dollars and today we are in the process of building them up again to the point where they can destroy us. If they pose no danger, then ask yourself why they are producing two nuclear submarines each quarter, when we have not built one in the last five years. Why are they building two nuclear Supercarriers per year, when we have stopped all construction on ours? Could it be that we have really "gone to sleep", or is **TREASON** rife in Washington, DC.?

Have all these strange things taken place through some strange evolutionary process, or have they been deliberately caused for a Satanic purpose, the long range destruction of Christian America?

For over fifty years, decent, God-fearing Americans have watched in frustration, the painful and rapid disintegration of the greatest nation the world has ever known. During this period we have lost our International prestige, and have gone downhill in economics, politics, and moral and military strength.

Most Christians have stood by in frustrated silence, as our Constitutional processes have been eroded, our competitive free enterprise system has been replaced with a socialist welfare State, our national resources depleted and given to our enemy in the name of "detente".

We have stood helplessly on the side walks of this nation, as our sons and daughters have been sacrificed in two major "nowin" wars, neither of which was fought for American interests, and both of which were fought under the spider flag of the United Nations, for the benefit of the International Banking Bandits.

Today, this country is in retreat on every front. Our moral and spiritual decline has reached the point that where once great churches, which were "light houses for the Gospel" a few years ago, are now "religious country clubs" where men and women attend because of the prestige it gives. Others, with their "flashing psychedelic lights and religious rock music", have turned into "glorified

religious honky tonks." All one would need to do is put a flashing red light over the entrance and they would fit comfortably into any whore house district in the city, complete with a Sodomite as pastor. Today the gospel of most churches and of the TV evangelists, is the Social Gospel, courtesy of the Talmudic influence on Christianity.

Today, America is faced with a "black out" of **TRUTH**. How can our people understand the dangers we face, when the media is controlled by our enemies, and our churches are often under this same control? Why are we in retreat everywhere?

This message is not for the purpose of discussing our defeats of the past, although there have been many unnecessary ones.

It is not to point out the lowering of America's morals, for I'm sure you are intelligent enough to see that for yourself. This message is an attempt to show you how we have lost, and are losing our freedom, and to map a remedy which will stop this!

I want to show you how these problems have been deliberately manipulated to bring about the present crisis, where we see men like President Clinton who are openly contemptuous of our Constitutional laws, and promotes those who are hostile to the concept of a Christian Republic, while hypocritically affempting to pass themselves off as Christians.

It is not so much that men like Bill Clinton do not understand the problems which are confronting us, as it is that they are determined to "do their own thing", regardless of how many laws of God and man they break in the process. It has become like the early days of world history, when there was chaos, as "every man did that which was right in his own sight!"

The facts I present in this message are not popular with the majority of Americans, even those who go by the name of Christian. To some of you they will seem repugnant and diametrically opposed to what you are being taught in your own church and by the media. Some of you will be inclined to scoff before you read very far, and many may stop reading when you read facts which conflict with what you believe.

I am not concerned with that, for my task is to give you the **TRUTH.** What you do with it, immediately becomes a personal matter between God and you, and He will hold you accountable for what you do with this truth!

A time came in my life, (after I began my **CRUSADE FOR CHRIST AND COUNTRY MINISTRY**, in fulfillment of a promise I made to God when I was a prisoner of the communists in Korea), when I was tremendously disturbed by what I saw taking place. One day, during my daily Bible Study, I read 2 Chron. 19:2. It is the story of a Godly king named Jehosophat, who was seduced into helping an evil king named Ahab in a war that was going on. He told Ahab: "My people will be as your people in this

In the battle which followed, Ahab was killed, and Jehosophat escaped by the "skin of his teeth". When he returned to Jerusalem, he was met by a prophet of the Lord who told him . . . Shouldest thou help the ungodly? and love them, that hate the Lord? Therefore is wrath upon thee from before the Lord". Maybe the Judeo-Christian preachers who praise the anti-Christs of Judaism, calling them God's Chosen, should meditate on these words before they bring His Wrath on them and their people.

If God never changes, as the Bible clearly teaches, then He hates atheist nations as much today, as when He had them destroyed centuries ago. In Psalms 9:10 we read: "The wicked shall be turned into hell, and all the nations that forget God". I don't see how it can be any clearer!

God hates atheist nations, whether they be Communist China, or atheist Zionist-Israeli. How can Christian Americans spend a large portion of our Foreign Aid, giving "aid and comfort" to a people who hate our God, and hate everything we stand for as Christians, and have declared their intention of ultimately destroying us? I cannot understand any Christian pastor who would back the enemy!

I do not ask you to believe what I write in this message, but I do expect you to be honest enough to check out the facts I mention. I dare you to put them under the most powerful magnifying glass of truth you can find; in this case the Holy Bible, and when you find that what I say, is backed by God's Word, then have courage enough to act on this truth, whether your pastor is willing to accept it or not. If he refuses to teach the truth, maybe it's time for you to get a new pastor or change churches. Thousands are doing just this!

Some of the last documented information you can obtain on what I write about, will come from a book **IRON CURTAIN OVER AMERICA,** written by Col. John Beatty, in 1951. He is a retired former Intelligence Officer with Army Intelligence and was Chief of the Army Historical Section. Some of the information I will give you in this message is taken from his book. I suggest you get a copy for your library. Because of it's contents, both the book and it's author have come under constant attack from Zionists, Communists, and the "brainwashed" Judeo-Christian church.

The facts I learned through diligent study, convinced me that Christians **MUST** learn to differentiate between Zionism and Judaism, as they are not always the same. Yehudi Menuhin, the famous Jewish violinist once said: "I am an integrated citizen of the United States. I am a Jew by religion and by nothing else". This man waged a relentless and courageous campaign against Zionism, which is the militant, political arm of Judaism. He stated: "they only use and abuse their religion to promote Jewish nationalism, the new religion of so many subverted and brainwashed Jewish people". Remember, ours is not a vendetta against the Jewish people, and here I depart radically from some of my Identity brethren who do not believe a Jew can be saved. I do not consider this to be scriptural. This is where I differ radically with those who promote the **SEEDLINE DOCTRINE.**

I am not against the Jewish people, but against the philosophy most of them propagate, which is their desire to destroy America and White Christian civilization. This is their threat!

There are patriotic Jews such as Alfred Lilienthal, author of the revealing book **THE ZIONIST CONNECTION.** (This is another book every concerned Christian should read and have in their library. Especially you pastors who back Zionism). He says: "I believe I articulate the voice of many Jews who wish to think American, but who will not volunteer any expression of their innermost feelings, even though they may cheer from the sidelines. I cannot tolerate Israeli turning me and others, who regard themselves as Americans of Jewish faith, into second-class citizens in our own country . . . yet today, if I wish to maintain my religious affiliation, I am bound, whether I like it or not, to help, assist, give to, lend to the foreign state of Israeli, in a manner in which non-Jewish Americans do not have to do. I refuse to be a hyphenated American. I am neither an American-Jew, nor a Jewish-American. I am an American of Jewish faith, and the Israeli flag is not, has not, and never will be mine". (Taken from **THE READERS DIGEST** in 1950).

So be careful that your prejudice against Jews and their connection with Communism does not color your thinking concerning all Americans of Jewish faith. To do so will be fatal to our very understanding of the meaning of Americanism. **We MUST** be alert to the dangers posed by Zionism and let our people know about them, but we **MUST** not create a climate of hatred which can destroy us all!

I seriously doubt that any of you who read this message, would shoot your watchdog if he barked at night, warning you of an intruder. Yet this in essence is what has happened in the church world in particular in recent years. Only informed Christians, with the help of Almighty God, can save America! The ancient prophet said: "My people are destroyed for lack of **KNOWLEDGE"**. Not "lack of education", as so many seem to believe, but lack of **KNOWLEDGE.** There is a great deal of difference between the two.

The great Roman Senator Cicero once said: "It is impossible to know the truth and not be held accountable for it! So I warn you, once you read the truths I will reveal in this message, God will hold you accountable for them, whether you wish to believe them or not! Once you know the truth,

you will have no excuse to remain in your "spiritual foxhole" while the battle for survival rages all about us.

Probably our most difficult task will be to get good, "born again" Christians involved. For as Edmund Burke said: "All that is necessary for evil to succeed, is for good men to do nothing".

We will not lose our freedoms at 3 am. when we answer a knock on the door and are confronted by a man with a red star on his helmet and an automatic rifle in his hands, who says: "Come with me! I'm taking you to a concentration camp!" We will lose it when decent Christians, like you and I, see what is happening, and sit back saying: "I'm only an individual you know. Everyone knows you can't buck city hall!" and when enough Christians feel and act this way, we will lose America. Freedom will die, and we will bury her with this epitaph engraved on her tombstone: "Americans died, because the Christian people of America didn't want to be bothered". Then we will answer before God for our refusal to act!

For us to fully understand what is happening today, we need to go back more than a thousand years in history to look at the fundamental problem of Europe, which was the source, seat, and historic guardian of Western Christian civilization. The problem has always been to save Christendom from the inroads of a heathen philosophy which had and still has its source in Asia.

From the fall of the Roman Empire in the West in 476 A.D. to the present time, one of the principle weaknesses of the Christian world has been in its lack of unity. Wars have been fought, brother against brother, which were instigated by a heathen philosophy for the purpose of destroying White Christian civilization. In one of the principal documents of this enemy, Article 7, Par. 1, says: "The intensification of armaments, the increases of police forces are all essential for the completion of our plans . . ." Throughout the world, we must create ferments, disorders and hostility. Here we gain a double advantage. ln the first place we keep check on all countries, for they will know that we have the power to create disorders or restore order. In the second place, by our intrigues we shall tangle up all the threads which we have stretched into the cabinets of all the States. We must be in a position to respond to every act of opposition by war with the neighbors of that country that dares to oppose us, and if they should venture to stand collectively against us, we must offer resistance by universal war (World War). We must compel the governments of the Gentiles (non-Jews) to take action in the direction favored by our plan. If our terrorist attempts against them fail, (and the Israeli Mossad is today the foremost terrorist organization in the world) if we allow a general uprising against our control, we shall respond with the guns of America, or China, or Japan". (We see this clearly today in America Foreign policy, where the United States is playing "world policeman" for the United Nations, under Zionist control).

These breeches were healed in Europe to a certain extent during the Crusades, when men were roused to go to the Holy Land and release Jerusalem from the hands of the infidel Moslem hordes. For nearly a hundred years (1099-1187), the Latin Kingdom of Jerusalem ruled in Palestine, until it was finally driven out by the Saracens under their brilliant leader Saladin.

During this same period a great spiritual unrest rose in men's hearts. This culminated when Martin Luther nailed his ninety-five thesis on the church door at Wittenberg, German in 1517.

The new form of Christianity he began was known as Protestantism, for this was what it was. It protested many of the heathen practices of the Roman Catholic church, and the authority the Pope held over the church. It made remarkable progress among the German people and many of the Teutonic knights embraced this new faith. These men had a strong sense of duty and loyalty to Christian principles and from them, came the brilliant statesmen that made Prussia great.

From the very beginning, the relationship between Germany and the United States was friendly. Not only was the basic blood stream of English descent almost identical to that of the Germans, but in addition over 25% of the early American settlers were of German descent.

In the early 1900's, Germany was admired by this country. She was a strong, Christian nation, part

Protestant, and part Roman Catholic, which exhibited many of the same characteristics which had made America into a world power in a remarkably short period of time.

Then World War came in 1914, in which Britain, France and their allies opposed Germany and her allies. Since the people of America admired both these groups, they were reluctant to join sides. Here was where the foreign, Asiatic influence began to take effect, as under extreme Zionist pressure, this country was literally seduced into fighting against our racial brethren in Germany. It might be well here to recall the words spoken by Rabbi Reich horn in 1856, when he stated: "Wars are the Jews harvests; with them we kill off Christians (in this case, both in Europe and America) and gain control of their gold. We have already killed 100-million of them, and the end is not yet".

In this war, we suffered 116,708 casualties, plus the hundreds of thousands who died in other countries. This war cost the American taxpayer an estimated 32.7-billion dollars, most of which went into the pockets of the Zionist International banker bandits.

Chaim Weismann, a well-known Zionist leader stated in Paul Goodman's book **WEISMANN, A TRIBUTE**, written in 1945- "We Jews are the greatest war profiteers".

The great majority of American Jews were trapped into support of the Zionists, by not being told the facts. It is the same problem encountered among the Judeo-Christians of America. lt is a known fact, often bragged about by wealthy Jews, that they made a killing off World War 1,11, and our subsequent wars.

During the buildup when America faced World War I, Woodrow Wilson campaigned under the slogan: "I kept America out of war!" Yet while he was spouting this cliche, his mysterious, Zionist, right-hand man, Col. Edward Mandel House, was in London, working side by side with Winston Churchill, another Zionist sympathizer, to bring America into a war she did not want, on the side of Britain.

So strong was American anti-war feeling, that it took an incident like the sinking of the passenger ship Lusitania on May 15, 1915, by a German U-boat off the coast of Scotland, to bring America into a war she did not want. It has been proven that the Lusitania was loaded with explosives and that Germany had openly warned, in such well read newspapers as the **NEW YORK TIMES,** that if she sailed, Germany would seek to sink her. In spite of this, gullible America was suckered into the war by this atheistic, Asiatic influence we have been speaking about.

Those of you who remember your history, will recall that World War I was touted in the controlled media as a "war to end all wars", when in reality it was just the beginning of our International problems. This greatest spilling of blood between kinsmen of all times, did not bring peace, although it put much wealth into the hands of those who caused it!

At the end of WWI, a secret agreement was made between President Wilson, Prime Minister David Lloyd George of England and Prime Minister Clernenceau of France. These leaders dictated peace terms to conquered Germany, which laid the groundwork for the takeover of control by Hitler a few years later.

The financial crash came in Germany in 1923, when German money, devalued by the International Jewish bankers, caused the people to suffer terribly, especially those in the industrial areas. In their hunger and desperation, as they saw wealthy Jews buying up their mortgaged property for a few cents on the dollar, they began to blame the Jews for their financial problems. They were also influenced strongly by the fact that a great percentage of German Jews were Communists, or communist oriented. Many were leaders in the communist movement.

This attitude was intensified as the German Zionists gained power, and using funds accumulated from race-conscious Jews in other countries, they began buying up German property. Thousands of Jews rushed into Germany to get in on the "gravy train". As they gained power, they further tightened the "economic screws" on the German people, so that when Hitler arrived on the scene, they were looking for someone to save them from the Jewish vampire which was sucking their

national lifeblood!

At the end of World War I and continuing into World War II, the American people were seduced by clever Jewish propaganda, disseminated through the Jewish controlled media, and Hollywood, into a fanatical hatred of Germany and all things German. Terms such as "boche", and "hun", became common, as well as stories of atrocities committed by German troops, when historical records shows that they were among the most disciplined forces in these wars. Stories were told of Jews being skinned, with lamp shades being made from their skin; of Jews being melted down to make soap, and many other stories, such as the prevalent myth that 6-million Jews died in German Concentration camps. All have been proven false, yet the majority of Judeo-Christians still believe them.

I have in my files a copy of the 1930-31 **JEWISH YEARBOOK,** which shows the total Jewish population of Europe in 1930 to be under 3-million, and we know that hundreds of thousands of Jews fled to Palestine and the "Promised Land" of America during this period. Yet today, Jewish propaganda against the "bad old Germans" still continues unabated. Hollywood still cranks out "goose stepping" anti-German films, while saying nothing about the over 100-million murdered by Zionist controlled Communism. (Maybe the fact that many millions of these murdered people were Christians, make the difference? After all, their Talmud says that "one Jews is worth more in the eyes of G-d, than 1,000 goyim (non-Jew animals)".

In 1936, Britain sought to come to some workable agreement with Hitler, and President Franklin Roosevelt, in his first term of office (1933), recognized Communist Russia, while remaining neutral towards Germany. Then in October 1937, in a speech made in Chicago, FDR did a complete "about face" and came out with a strong tirade against Germany. The task of the anti-Germany propagandists in the U.S., was made easier when Adolf Hitler showed up on the German scene.

In order to better understand what has taken place. It will be necessary for us to go back on the stage of history to the First Millennia of the Christian Era. At this time, several tribes occupied the area between the Don and Volga Rivers, north of the Caucasian Mountains. They were known as Khazars. By slow stages, they extended their boundaries by conquest to the Sea of Azar and the Black Sea. They were a people of mixed Turkish and Mongolian stock.

In the 8th Century AD., the Khazar, tribal chief, wanted a State religion for his pagan people. He adopted a form of Judaism, which was strongly influenced by the Babylonian Talmud and which was in complete opposition to Mosaic Laws. All one needs to do to understand this is to compare the Talmud, with the Old Testament of the Bible, especially the books written by Moses.

It was the Babylonian form of Judaism, which had become mixed with Babylonian occultism, that became the religion of these nomads.

The Slavic people in the areas we now know as the Ukraine, were engaged in constant warfare with the Khazars, and by 1016 AD. had driven them out of this area. These "bogus" Jews, went north and became widely distributed across Western Russia. (It is important to note that they are neither Semitic, nor do they have any of Abraham's blood in their veins).

Their religion was that of the Pharisees of Jesus' time, when He accused them in John 8:44, of "being of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there was no truth in him. When he speaketh a lie, he speaketh of his own, for he is a liar, and the father of it". (Don't get angry with me, these words are not original with me, they come from the lips of your Savior. He told these same Pharisees in Matt. 23:35, that they were guilty of "all the righteous blood shed upon the earth from the time of Abel . . ." (Could He have been foretelling Jewish caused wars?)

In Rev. 2:9; 3:9, the Apostle John writing to the church in Smyrna, stated that the risen Christ had said: ". . . I know the blasphemy of them which say they are Jews and are not, but are of the synagogue of Satan." These are the one's your pastors are touting as being God's Chosen. Who are

you going to believe?

By now, many who have read this far will be convinced that I am anti-Jew. But this is not true! All I'm doing is giving you some facts, which your pastor has carefully left out. These same facts are available to you if you will take the time and effort to look for them. We have been propagandized from our pulpits for so long, that the Jews are God's Chosen, that most Christians are afraid to face up to the truth. When someone comes along with the truth, he is immediately labeled as "anti-Semitic". This is an old Communist trick!

Have you ever heard of national newsmen like Walter Cronkite, David Brinkley, or Peter Jennings, say anything about the Jewish pressure which literally runs our government? Have you ever wondered why a respected Army officer like Gen. Brown, who was Chairman of the Joint Chiefs of Staff, was forced into an apology, after he warned Americans that we had better check into Zionist pressure in our government? Have you wondered why in the past, good men have been driven out of Presidential races, because they have had the courage to mention this Jewish menace?

Have you ever wondered why the Israeli can do not wrong, as far as the media is concerned? Try and think logically, as you realize who owns and controls the media. Have you ever heard a word of complaint against the Israeli government for their acts of terrorism against Arab Christians? Of course you haven't, and you never will as long as Jews control the means of news dissemination. While the media tells us how important the Israeli are for us, and how it is necessary for us to support the holy "democracy in the Mid East", you never hear that the Israeli were the first country to vote against us in the United Nations, when it came to approving Nationalist China's entrance into the United Nations. This is not being anti-Semitic, it's merely telling the truth. The Zionists cannot stand the truth, and this is why their only defense is "name calling", and use of smear words such as "Anti-Semite!" Most so-called Christians are more afraid of being called "Anti-Semite", than of being labeled as anti-Christ!

The relationship between the Slavs and the Jewish Khazars was never a very happy one and it had nothing to do with religion, or racial origin, since the Slavs had absorbed many minorities into their culture with new problems.

The reason for this friction was purely ideological. As time passed, these Khazar people of mixed and non-Russian stock, came to hate the pure Russian, and became known to the world as Russian Jews. Although they bore the Jewish label, they could lay no claim to the bloodline of Abraham, nor to the Hebrew religion as taught by Moses.

It is interesting to see how Jesus mentioned this to the Pharisees in Matt. 15:3, when He asked: "Why do you transgress the commandments of God by your traditions?" In Mark 7:13, He accused them of: "Making the Word of God of none effect through your tradition ...

Since the Babylonian Talmud, which according to Jewish religious leaders is the "heart blood of Judaism", is distinguished by magic incantations, and practices of heathen occultism, these strange people have become known worldwide for their fanaticism and their corrupt morals.

We hear a great deal from American pulpits, and from TV evangelists like Jack Van Impe, about the persecution of the Jews. Van Impe says they were kicked out of every nation in Europe because they are God's Chosen, ci jid Satan hates them for this. But a little investigation will show you that they were evicted, not because they were religious Jews; not because of their religion; but because of their corrupt morals and their under-handed deceitful way of doing business, and their habit of robbing their Gentile neighbors, when they could get away with it! But what can you expect, when this is taught and encouraged in their Talmud?

The Judaized Khazars became not only an indigestible mass in the body politic, but were classified as a "State within a state". Always, their first loyalty is not to the country in which they reside, but to world Jewry. In the United States, they are the only people who have been granted "dual citizenship", and when the "chips are down", you can always depend on them to back Judaism. In

every instance, they have turned against the countries which have given them refuge, to stab them in the back. Check the names of those who have been tried and found guilty of treason in the U.S. over the last hundred years, and you will find them to be preponderantly Jewish. They have proven they cannot be trusted, for even their oaths of office are nullified by a promise they extract from God every year on the Day of Atonement, known as the Kol Nidre oath. According to their teaching, this allows them to make promises and break them without gaining God's disapproval.

It was in the fertile grounds of Khazar-Judaism that the seeds of Communism grew with astonishing rapidity. The Khazar Jews were attracted to the writings of another Khazar Jew named Karl Marx, during the period 1881-1883, when Communism was becoming a "way of life" among the Jewish people in Russia. Shortly after the Russian Revolution in 1918, the leading Jewish newspaper in America, carried a front page article which said: "The concepts of Bolshevism are consonant with (in agreement with) the finest ideals of Judaism.."

The Marxist program of State control over everything, which was so repugnant to the mind of Christendom, was no obstacle to the Khazar Jew, since the Talmud taught acceptance of control and actually contains over 12,000 of these controls.

While Russia was staggering under it's defeat by Germany in 1917, the Communists, whose "hard core" was made up almost exclusively of Khazar Jews, struck against the government and with the financial help of Zionist bankers in the United States, took over control of this vast but unhappy land, Jacob Schiff, a Jewish banker from New York, sent $20-million in gold for this purpose.

The first Communist commissars were almost exclusively Jewish. According to data furnished by the Soviet press of this time. Out of 556 important functionaries of that first Bolshevik State in 1918-19, 457 were Khazar Jews, many of them from the East Side of New York.

It was from, this same ethnic group that political Zionism took root in 1884, under a Khazar Jew named Thedor Hertzl, Mr. Hertzl resided over the first Zionist Congress which met in Basil, Switzerland in August 1897.

Dr. Chaim Weismann, the head of political Zionism when it first reverted to violence, was born in Poland of Khazar stock.

Political Zionism entered its violent phase, when discovery was made of the incredible mineral wealth in the Dead Sea, in southern Palestine. Before this there was very little Jewish effort to return to this area. But a Jewish State was seen, by World Zionism, as the only method to gain control of this land, and it's wealth, which was necessary for the Zionists in their drive for world domination.

I am sure that many of you who have read this far, are still unwilling to admit what I am saying, although all of it is carefully documented. You have been taught in your churches for years, under clever Jewish "brainwashing", that these Christ haters are God's Chosen people. lt was to the Hebrews, not the Jews, that God's promises were given. When His promise of Gen. 15:18 was made with Abram, it was made to a Hebrew. There were no people called Jews, anywhere on earth until centuries later, when they first show up on the Bible scene in 2 Kings 16:6, fighting against Israel. When a preacher uses the term "Jew" to describe Abraham, he is either an example of extremely bad scholarship, or is being "intellectually dishonest". In fact, the word Jew was unknown in the English language until the beginning of the 18th Century. Before this the word **IOUDEAN** (Judean) was used, which referred to the inhabitants of Judea, and had no religious meaning as the word "Jew" has today.

There are many documents which prove without the shadow of a doubt, that the Khazar Jews were and still are in the forefront of communist efforts to control the world. In spite of propaganda from the Jew controlled media, to the contrary, communism is not dead, it has just retreated and is surfacing under another name.

Gus Hall (Hallberg), perennial head of the American Communist Party, was the Jew who predicted

many years ago, that he would supervise the slaughter of 60-million "hopelessly diseased Capitalist Christian animals" (goyim), and that he would live to see the "last Congressman strangled with the guts of the last Christian preacher".

There were Jews like Lenin, Trotsky, and Stalin, who were principle movers and murderers of millions of Christians in Russia.

There were Jews like Harry Gold (Abraham Brothmann); Miriam Moskowitz; M. Sobell; David Greenglass; Julius and Ethel Rosenberg and others, who were proven traitors to the U.S. as they sold our atomic secrets to the Soviet Union. Only the Rosenberg's were executed as traitors, and the Zionist press in America, is now trying to make martyrs out of them.

In 1951, when Dr. William Perl, of Columbia University was arrested as part of a Soviet Atomic spy ring, it was discovered that he had changed his name from Uttererl to Perl, to hide it's Jewish identity. At this time the head of the Communist Party in America was another Khazar Jew named Gerhardt Eisler.

It is also interesting to note that almost 100% of the Jews involved in Communist activities in the U.S. have been of Khazar origin, which simply means that they are not Jews at all. They fit the description given them by the risen Christ in Rev. 2:9; 3:9, when He speaks of "Those who say they are Jews, and are not; but are of the synagogue of Satan". These are the one's your pastor wants you to honor by calling them God's Chosen!

According to the American Zionist Handbook, 68 to 70% of all the Jews in America can trace their background to Poland or the Soviet Union. It is also significant, that the Canadian Royal Commission, in it's findings on Communism in Canada, stated: "It is significant that the number of documents from the Russian Embassy, specially note 'Jew, or Jewess' in the entries of their Canadian agents, showing that the Russian Fifth Column attaches special significance to this Jewish influence in the Party".

You see, my Christian friends, I am not making these accusations off the "top of my head". Nor am I showing you these facts to cause you to hate Jews. I am simply showing you the source of most of our national security problems in America. What you do with this information will be up to you!

lt might be well at this point to show you how America's immigration policies have aided in the Jewish invasion of America. On Dec. 2, 1823, President Monroe, issued the famous document called the Monroe Document, in which he stated that the American government would not allow Continental European powers to extend their political systems into the New World. Up to 1900, the vast majority of immigrants had come from Western Christian nations. These were the people who subdued the Western frontiers and laid the moral and spiritual foundations upon which the greatest nation the world had ever seen, the United States of America, was built.

About 1880, we began to see a shift in our immigration policy to include millions of people from Southern and Eastern Europe. Most of these, with the exception of the Spanish and Italians, had little understanding or regard for the principles of a Republican government. A large portion of these were non-Christian in culture and had no intention of accepting American ideals. Instead they tried to move America towards their collectivist ideology.

In 1908, the President of Columbia University, Dr. Nicholas Murray Butler, called attention to the fact that Christianity was a dominant part of the American culture. He went on to express his fears that: "our capacity to subdue and assimilate the alien elements being brought into this country through immigration will soon be exhausted". He concluded, as Abraham Lincoln had, seventy years earlier, that "the dangers America will face in the future, will come from within".

Statistics for this period of our national growth show that the immigrants were mainly Italians, Slavs, and Khazar Jews from Russia and Eastern Europe. The Italians and Slavs posed little problem, since their ideology was essentially Christian.

But the Khazar Jews were strikingly different. These newcomers had arrived in vast hordes, so that

by 1920, over three million had arrived. They were often referred to as Polish Jews, and comprised the largest percentage of the Jewish population of New York City.

The older Jewish immigrants, many of who were Sephardim with some Hebrew blood, followed the Laws of Moses, and had been assimilated into the American way of life, many becoming good citizens. But they were overwhelmed by the flood of "pseudo Jews" who arrived from Russia. The older Jews often had little rapport with the heathen Khazars arriving from Russia and Poland.

As the Khazars began to dominate the Jewish population of the United States, the position of the Americanized Jew became precarious. Many of the older Jews were branded as "Quislings" and "betrayers of Judaism". This emphasis came from the Khazar element in Jewry, which tried to silence Jews who were sympathetic to the American way of life. This is still true today, where orthodox Jews often refuse to back political Zionism and are persecuted by "those who say they are Jews and are not".

This anti-Jewish effort came mostly from the Khazar synagogues, and radical Jewish political organizations such as the Anti-Defamation League.

We should use care that we do not lump all Jews under the Khazarian banner! Some Jews such as the well-known author Alfred Lilienthal, are interested in saving freedom in America! He has openly stated, much to the disgust of Zionists, that his loyalty is to the U.S. not the Israeli!

The Khazarian Jew considers himself to be superior, a separate nationality, a "nation-within a nation".

They are almost without exception, hostile to Christian American ideals, and openly seek to destroy them. These are the people you honor in the Judeo-Christian church, by elevating these Christ haters to Chosen People status!

These Khazarian Jews are absolutely ruthless, and have been known to exercise violence against their own people, if it will further their political agenda. On Nov. 25,1960, for example, the SS Patria, loaded with Jewish refugees, was blown up in the harbor of Haifa, killing 276 Jewish immigrants. This incident was trumpeted in the Jewish media as the work of Britain, and it was not until ten years later, that the truth came out, and placed the blame where it belonged, on Zionist shoulders. David Flinke, an Israeli correspondent for the **JEWISH MORNING STAR** wrote: "The Hananah General Staff took the decision not to permit the Patria to leave Haifa. The English must be made to understand that they cannot drive the Jews away from our land. So the Patria must be blown up and the British blamed. The ship got ready for sea, without any of the passengers being warned!"

Fifteen months later, the SS Straum exploded in the Black Sea, killing 769 illegal Jewish immigrants. Once again the British were blamed, and world sympathy was turned against them in favor of the Zionists who had done the deed. Once again, it was proved that the Irgun, the Zionist terrorist organization in Palestine, gave the order, to place blame on the British. Over and over again, Zionists have followed the Satanic teachings of the Talmud, and terrorized people, Jew and Gentile alike, who have stood in their way to world conquest.

So great was the immigration of the Khazarian Jews to the United States, that in 1947, immigration officials stated that "over 50% of the world Jewish population now resides in the United States". (Most of them in New York City and about 8-million nationwide).

The problem created in the U.S. by this powerful minority, was due to their aggressive foreign ideology, and was fired by their ambition to eventually control the world. This is something every concerned American, especially if you are a White Christian, should be conscious of. According to their own open statements, we are their target for destruction! How a Christian man or woman can support a heathen ideology which hates their Savior and openly declares their intention of destroying their faith, is beyond my comprehension!

The burning hatred of "those who call themselves Jews, and are not", has been seen for centuries. It

was apparent when Jesus accused the "pseudo-Jews" of His time, of being "guilty of all the righteous blood shed on the earth from the time of Able . . ." (Luke 11:45-51)

If you go back in history, you will see this hatred exhibited on the historical scene, as most of the major "blood baths" in world history have been Jew instigated. They revel in the truth! They echo the boast made by Rabbi Reichhorn, head rabbi of France, in 1858, when he said: "Wars are the Jews harvests! With them we kill off Christians and gain control of their gold. We have already killed 100-million of them, and the end is not yet!" This was before the debacle of the War Between the States, World War I and II, which have all been essentially wars in which white brothers have fought against their own kind and the Jewish warlords have reaped the benefits. You can't get away from these **TRUTHS**, no matter how loudly Christian Zionists such as Jack Van Impe, sing their praises! "Shouldest thou help the ungodly; and love them that hate the Lord? therefore is wrath upon thee from before the Lord . . :' (2 Chron. 19:2). Better take heed!

As the Khazars took over in Russia, they instituted a succession of bloody purges which have liquidated millions of Russians, including hundreds of thousands of those who thought they would be rescued by a Rapture which never came and was never predicted in scripture!

We are not primarily concerned with these purges in this message, other then to state the Khazarian-Talmudic-Communist plans call for the liquidation of most men, women, and children in America, who go by the name of Christian, whether you have elevated them to "Chosen People" status or not. This will have no influence on their final decision!

Those over the age of thirty, who cannot be "re-educated", will be destroyed. The facilities have already been built!

In the Talmudic-Communist textbook on **PSYCHOPOLITICS,** written in 1933 as the "blueprint" for the Talmudic takeover of Christian America, we read in Chapter 12, page 52: "Just as in Russia we destroyed the Church, so we must destroy all faiths in nations marked for conquest. You must recruit every agency of that nation into a foaming hatred of Christianity.

"We have battled in America since the century's turn to bring to nothing any and all Christian influences and we are succeeding. While we today seem to be kind to Christians, remember we have not yet influenced the Christian world to our ends. When we have done this, we will have an end to them everywhere".

Even as the heathen Khazarian Jews have destroyed over 140-million people world-wide, so they are now busily at work towards the destruction of Christian America, often supported by the "brainwashed hordes of sheeple", in the Judeo-Christian church, who seemingly are beset with a "suicide complex!"

Even as the heathen Talmudic-Khazarian Jews have subjected Russia, China, and much of the rest of the world to their "rule of terror", which has murdered over 140-million, they are now working towards this same scenario in America. Any intelligent person can see this in operation, as the Jew controlled media spreads hatred in America towards the Christian Patriot. This is the man or woman who loves God, their people, their family and their country; who are armed and willing to die to defend their freedom. These people, the "cream of America", are described by the press, as "hate mongers", "anti-Semitic', "Neo-Nazis". While those who seek to destroy White Christian civilization, are held up as those who seek to preserve our country. The controlled press is laying the foundation for Jesus' prediction in John 16:2, where He said the day would come when those who killed "true Christians", would believe they were doing God service! We are close to that time now! Are you being "seduced" into joining this crowd?

It is interesting to note the Democratic Party, as early as 1912, began to woo the votes of these Eastern immigrants. In the early part of this century, these Eastern immigrants were for the most part "liberals and radicals". They flocked to the Democrat Party for this was the group which gave them monetary aid. They can be described by the distinguished Khazar Jew, Louis Brandeis, who

was named to the Supreme Court by President Wilson, he envisioned "a new cooperative one-world order!" (Jewish Encyclopedia, Vol.11, pp.495-499. He was an active Zionist!) He was also an active factor in influencing Wilson into getting America involved in World War I."

Although Britain, had promised the Palestinian Arabs self-rule, because of their help in defeating the Turks, Wilson was readily won over to Brandeis' scheme for a Jewish homeland in Palestine, which had already received favorable attention in Britain, although neither country had the moral or legal authority to give Arab owned territory to the Jews.

An article appearing in **THE JEWISH CHRONICLE,** Feb. 2,1936 titled **THE ORIGIN OF THE BALFOUR DECLARATION,** said that certain representatives of the French and British governments had been convinced that the best and possibly only way America could be persuaded to enter the war was by promising the Jews a homeland in Palestine.

It was the flood of liberal votes from these Eastern Europeans that raised the Democrat Party to a majority status and under which this nation has gone through the most drastic decline in our history. Under this Democratic control we have fought our last four wars, none of them were for the interests or protection of the American people, but put our national wealth in the hands of the International Jewish bankers.

The first spectacular victory of these non-Christian European influenced Democrats came within nine months after Roosevelt had been elected, when he recognized the Communist Government of Russia.

This was followed, down through the years by the "sellout" of American interests at Yalta, Potsdam, Teheran; in Hungary, Cuba, China, and our betrayal of Taiwan; then the "sellout" "no-win" wars in Korea and Viet Nam; the "sellout" of Rhodesia and South Africa, the debacle in Iran, Afghanistan and Iraq. All of these under United Nations control, which means International Zionist control.

Dean Acheson, who had served in the Jewish law firm of Brandeis, and then became a "big wheel" in forming America's Foreign Policy, capped his treason to America in 1939, when he became a paid lawyer for Soviet Dictator Josef Stalin in America. His service to Communist causes reads like a eulogy for treason, which has probably been unmatched since, with the exception of the "double-agent" Henry Kissinger who is still doing his "dirty work" for the One World crowd!

Many Patriotic, well-informed Americans in the State Department and the American Federation of Labor, pleaded with FDR not to recognize the Soviet Union. But puffed up by his own importance, and egged on by the powerful clique of Marxist-Fabian Socialist-Zionist Jews in his Administration, most of whom posed as "liberal intellectuals", he signed his name to the franchise which gave official America recognition to this "enemy of mankind". Without Congressional approval, he made a treaty with the Soviet Union which allowed them to establish an embassy in the United States, with full diplomatic immunity, which immediately became the "hotbed" of Soviet espionage, under Jewish supervision, and has remained so ever since.

It was Soviet Foreign Commissar Maxim Litvinov, the plunderer of Estonia, and the Kremlin's first agent for socializing England, who received "red carpet" treatment in Washington, D.C., from Roosevelt. Then they sat down with Roosevelt, after Atcheson and the Khazar Jew Morgenthau had done the "spadework for treason". This was the deal which led America to the brink of disaster in World War II, and contributed to the deaths of hundreds of thousands of young Americans.

After this nefarious deal was consummated, large numbers of naturalized Jews and their associates were infiltrated into the State Department by appointment or through Civil Service. It is interesting to note that a large percent of those who "feathered their nests" through treason, were Americans, of Eastern European background, who sold their "American birthright", for a "stinking mess of socialist red beans and rice!"

By the time World War II began, the communist infiltration of our State and Agriculture Departments had reached the point, that when Martin Dies, head of the House Committee on Un-

American Activities warned Roosevelt about this. He was shouted down as Roosevelt screamed at him: "I am no more a Communist than you are; but there is no danger from communism in this country. Some of my best friends are communists"

When the unyielding Dies reiterated his warning, F.D.R.'s climatic argument was: "We need Jewish votes!"

Time and time again, Dies was called to the White House, being alternately threatened and cajoled to "stop annoying the communists in our government".

Probably the greatest infiltration of American interests took place during the days of the Atomic Project, where a heavy level of Eastern European Jews were employed. The Khazarians were conspicuous in this agency during the 1940's and 50's. (Please don't get upset with me, I'm just telling you the facts!)

At this time the Soviet Union was in a furor over our development of the bomb and were doing everything humanly possible to get their hands on the secret.

The influence of this heathen Talmudic ideology reached it's peak in-mid 1951, when Khazar Milton Katz was placed at the helm of U.S. Foreign Policy in Europe; the Jewess Anna Rosenberg was placed in charge of the manpower requirements of the Armed Forces; Manly Fleischman was made Administrator of Defense Production, and Nathan Feisinger, was named as Chairman of the Wage Stabilizing Board. These were all Khazar Jews, and it was under their control, that we saw American "principles begin to "slide down the drain".

The man appointed by President Harry Truman to head the "Committee on Religious and Moral Welfare and Character Guidance in the Armed Forces", was a Jewish rabbi named Frank Weil, a New York lawyer and President of the National Jewish Welfare Board. Is it any wonder that under chaplains, that they could not use the name of Jesus Christ in their Weekly Character Guidance classes? I saw this with my own eyes, as I was a Company Commander of a Replacement Company in Tokyo during this period.

It is very possible that the top Khazarian in our Government in this post-war period was Vienna born Felix Frankfurter, who headed a nefarious group of anti-American, anti-Christian Khazars composed of Alger Hiss, Lee Pressman, Benjamin Cohen (Truman's Senior Assistant), David Lilienthal (Chairman of the Atomic Energy Commission), Nathan Margold, Donald Hiss, Milton Katz, and former Secretary of State Robert Patterson. All these men worked directly under Felix Frankfurter and showed themselves to be violently anti-American in their actions.

Another powerful Khazar who was frequently called to the White House to counsel the President, was Isador Rubin, later appointed by the President to a position in the United Nations.

Then there was Leo Pasvolsky, the Russian-born Khazar who rose to power in the State Department; there was Samuel Rosenberg who wrote many of F.D.R.'s speeches; there was Henry Morgenthau, Secretary of the Treasury and sponsor of the vicious Morgenthau Plan for Germany's destruction after the war; there was Hubert Lehman, Director on UNRRA, who diverted many of it's funds to Soviet satellites.

Doesn't it seem strange to you, in spite of the praises sung by men like Jack Van Impe, that so many Jewish names can be found in the top echelons of America's traitors? Yet many of our good Christian people, including the majority of our Christian pastors who should know better, will accuse me of being anti-Semitic, because I tell you the truth about these enemies of Christ and America. Unfortunately I can't change the facts to please them or you. "Am I therefore become your enemy, because I tell you the truth?"

In his personal diary, Secretary of Defense James Forrestal, recorded that he told our Ambassador to Britain, Joseph Kennedy, that Prime Minister Chamberlain had told him: "It was America under the leadership of world Jewry, which forced England into war with Germany". Of course you didn't

read about this in the controlled press.

In 1950, Forrestal argued with Democratic Party leaders saying:' "No group in this country should be permitted to influence our Foreign Policy to the point where it interferes with our national security". Immediately he came under vicious attack from the Zionists. Bernard Baruch, then advisor to the President, warned Forrestal of the possibility of personal retaliation if he continued in his America First course!

There is much evidence, most of which was suppressed, that Forrestal was murdered to shut him up!

Before Forrestal died, Congressman F. D. Roosevelt, Jr., expressed fear that the Democratic Party would lose votes because of Forrestal's strong "anti-Semitic" stand. The Secretary angrily retorted: "I think it's about time that somebody should give some consideration as to whether we might lose America!"

About this time in Europe, Hitler, feeling that he was surrounded by British-French-Soviet encirclement decided on desperate measures and declared a policy of "guns instead of buffer!" This was his reaction to Jewish treachery within Germany, that caused her bitter hatred from world Jewry. Any honest study of this period will show that World War II was caused by American foreign policies, in support of the U.S.S.R., which were guided by Khazarian advisors.

In Proverbs 25:5, we read these interesting words: "Take away the wicked from before the king (presidents) and his throne (the government) will be established in righteousness". This has proven true in every Administration since Jewish interests took over control of our economy in 1913.

One of our top military leaders, who understood this problem, I believe, was my favorite commander, Gen. George Patton. He recognized the dangers from Zionist Communism as far back as 1943, and hated it with every fiber of his magnificent being. He made an astute statement which got him into "hot water", when he said: "We are fighting on the wrong side in this war". He realized that Communism was much more of a world threat to our freedom, than that posed by the Third Reich. But the truth was "politically incorrect!"

Many Americans look on Harry Truman as one of our best Presidents because of the stand he took against the communists in Korea. Yet an honest evaluation of his Administration will show that he did more to strengthen the Communist position at the Potsdam Conference than any man we have ever had in the Oval Office.

An objective study of World War II will show that we did not fight this war to stop the advance of Naziism. It was not fought to "make the world safe for democracy". America received absolutely nothing of value from a war that cost us 407,316 deaths, according to the 1996 World Almanac, and 670,846 other casualties, and cost the American taxpayer an estimated $466-billion. Everything of benefit went to the Zionist-Communist forces who took over most of Europe and enslaved over a billion people in Asia, all under Khazar leadership. Is it any wonder Jesus told their forefathers:

"Ye are of your father the devil. He was a murderer from the beginning", (John 8:44). Is it any wonder when their children follow in the footsteps of their fathers?

Most of the facts I have given you have been deliberately withheld from the American people, especially Christian Americans. Why? Could it possibly be that if decent American knew what was happening, history would repeat itself and we would "kick the Khazar money changers out or our national temple?" They cannot afford for our people to know the truth, so they smother it under cries of "anti-Semitism," and "hate monger", while they continue their nefarious plans for world conquest.

Even worse than deliberately withholding the truth, is their deliberately slanting of the news. A good case in point was the slaughter of the Israeli athletes at the Olympic games in Munich in 1972, by eight Palestinian guerillas. The New York Times used terms such as **MURDER IN MUNICH; ARAB FANATICS; HOMICIDAL HATRED; INDISCRIMINATE MURDER.** Yet when the

Israeli air force shot down a Libyan civilian plane that strayed over Israeli territory in a blinding sandstorm, killing all 74 people aboard, the same New York Times termed it as a **TRAGIC, HORRIFYING BLUNDER!**

I, could fill a book with examples of how by deliberately slanting news in the media and on television, the Zionists always manage to have it slanted in their favor.

Even Americans traveling to Palestine, in Christian groups, are given the full propaganda treatment. They are met by Israeli guides who hate their King, and who give them the benefit of Zionist propaganda free of charge. They also in many instances have "preacher guides", who have sold out to Zionist interests! Many of the popular TV evangelists who are openly Pro-Zionist, promote these trips on a regular basis. These naive Christians are not told about the bitter Israeli persecution of Arab Christians in their own land, or of the Zionist hatred for our Savior.

Most Christians have been led by their pastors to believe that the Israeli are a deeply religious people, with a deep sense of the prophetic elements of the Old Testament. This is false! From their own sources we learn that over 60% of them are agnostic or outright atheists!

I have never advocated hatred of the Jewish people, but I do demand that our Christian people be given the full truth about them, and that we are not required to "swallow the unmitigated swill that is coming from the media and our sold-out pulpits".

I have never heard of any preacher guide, who has taken his flock to Palestine to hear the Arab side of the story.

A few years ago, Walter Cronkite, the CBS news guru stated: "My job is not to tell the truth. I am an opinion molder! This is the main function of the Jewish controlled media in 1996.

This same false Jewish propaganda can be seen on TV and in the movies, both of which are Jewish controlled. Movies such as the **DAIRY OF ANNE FRANK** and **HOLOCAUST,** which are called documentaries and advertised to the American people as being true, have been disclosed as planned frauds. I will not go into this, except that Jewish statistical figures clearly show that Hitler could not have killed 6-million Jews in Germany. I have a copy of the **AMERICAN JEWISH YEARBOOK OF 1930-31,** which shows on pps. 226-227 that the Jewish population of Europe, excluding Russia and Scandinavia, was under 3-million. We know that many Jews escaped from Germany and settled either in Palestine, or the Promised Land of America. Yet the figure of 6-million Jews murdered by the Nazis, is regularly quoted by Christian pastors who should know better. This 6-million "hoax" has been one of the greatest Zionist "fund raisers" in America, as naive Christians have accepted it "hook, line and sinker", and you are labeled an "Anti-Semitic or a hate monger" if you show people the truth! This same propaganda is now being inserted in our school books, where few books written before 1940 are available for their study, and everything must be "politically correct!"

Ask yourself why the anti-Jewish statements of Martin Luther, the great Protestant Reformer, have been expunged from Lutheran Seminaries, and why the warnings of great Americans like Benjamin Franklin and George Washington regarding Jews and their interests, have been removed from public perusal?

Secretly and publicly, in the press, in the school system, in government, and sadly enough in the Christian church, White Christians in particular are downgraded at every opportunity and are being replaced in positions of responsibility by alien non-Christians. There must be a reason!

A good example is the recent pitiable effort by the Southern Baptists, America's largest Protestant Christian group, as they apologized to the Blacks for the part their forefathers of 200 years ago, played in bringing the Blacks to America as slaves. They were very careful not to explain how these first slaves were purchased from Black Chieftains in Africa, with rum distilled in Jewish distilleries in New England; how they were shipped to America on Jewish owned ships, and sold in Jewish owned and operated Slave Markets. Nothing was said about the fact that many of these sad people would have been eaten by their own kind, if they had remained on their mother soil, and that every

Black Republic on the African Continent today, is far worse off than it ever was when it was under White Colonial control. These truths are never given to our people. Why? Could it be that they do not want our people to know the truth, for today, as in the time of Christ to know the "truth will set men and women free!"

Why, knowing what the Bible teaches to the contrary, has once Christian America appointed non-whites, aliens and foreign born Jews to high positions of responsibility in our government? I'm sure that many of our pastors know how this is in direct conflict with God's Word, as found in Deut. 17:15 - "Thou shalt in any wise set him king (President) over thee, whom the Lord thy God shall choose: one from among thy brethren shalt thou set as king (President) over thee: thou mayest not set a stranger over thee, which is not thy brother (kinsman)".

Could this be one reason why the Christian Identity message is so bitterly fought by Christian churches in America? They do not want their White Christian people to know they are Israelites who still operate under God's Law?

Why do we find inter-racial marriage encouraged by Christian groups, and by men like Dr. Billy Graham, when God's Word teaches that it is wrong? Why has Christian American put foreigners who can hardly speak the language, such as the atheist Jew Henry Kissinger, into high positions in our government? Don't try and tell me that those Old Testament writings were only for the Jews. There were no people called Jews anywhere on earth when they were written about 1450 BC.

In Joel 2:17, we find a prayer for our White Israel people: "Spare Thy people 0 Lord, and give not Thine inheritance to reproach, that the heathen shall reign over them; wherefore should they say among the people, where is their God?' This is what has happened in America, as we have allowed the heathen, Christ haters to take control.

Have you ever wondered why the government deliberately subsidizes the birth rate among non-whites in America, while the White, mostly Christian population is constantly lectured about the dangers of over population? Why is most of the Welfare money, which is strangling our economy going into the pockets of people who often refuse to help themselves, and look on it as their right, rather than as a short term aid measure? It is the alien interests in America, headed by the Jewish lobby, that is destroying us and why most American Christians are unaware of the dangers posed by these aliens. Can you give me a logical answer to why this is happening? I sincerely doubt it!

Many of my readers from Fundamental churches will immediately place the horrible label of "anti-Semite or hate monger!" on me for speaking these truths! If you don't your pastors are bound to do so!

When I learned the truth about the Jews, over fifteen years ago, I went with it to my pastor of a Fundamental Baptist church. We had been close friends and I had supported him financially on a number of occasions when he had got into trouble. But when I showed him the truth about the Jews, out of the Bible, he immediately labeled me as an "apostate", although he could not argue any points from the Word. He did manage, within a two week period to turn every Baptist preacher in the State of Mississippi against me, and many of these were men I had called friend, and who I had held successful revivals for. In the over fifteen years I have been in the Kingdom Movement, and taught the Identity truth, not one of these Christian (?) leaders, who have been so loud in condemning me, has ever come to me and said: "Brother Mohr, would you sit down with me and let me show you out of God's Word where you are wrong!" Not a one! In fact they are scared to death of even meeting me and avoid me wherever possible.

You may try and remind me, as many others have done of God's Covenant with Abram in Gen. 12:3, in which He said: "I will bless them that bless thee, and curse him who curseth thee . . ." But God wasn't speaking to a Jew. Abraham never was a Jew in spite of everything your pastor may have told you. There were no people anywhere on earth called Jews until 1200 years after the time of Abraham, when they first show up in 2 Kings 16:6, fighting against Israel.

My pastor reminded me that "God has been good to America because we have been kind to the Jews," until I pointed out that the days of America's greatest decline in every area have come since we recognized that little "bastard state of the Israeli" in 1947. Then he "lost his cool and kicked me out of his office"!

We need to realize that the Bible is very careful to differentiate between Israelites and Jews, they are not one and the same. The Jewish Encyclopedia recognizes this. But it is something most fundamental that evangelical preachers have not learned. There are a very few Jews from the Sephardim group, sometimes called Mediterranean Jews, who have some of Abraham's blood flowing in their veins. These were the Jews Jesus confronted in John 8. Their connection with Abraham was through Esau/Edom. (To find what God thinks of them and their final end, read Malachi 1:2-4).

The reason most pastors will not accept the truth, and become angry with anyone who tries to show it to them, is because they have been propagandized for years in their seminaries, where Jewish professors taught them that Jews and Israelites are one and the same, and that the people we now call Jews, are indeed the Chosen People of the Old Testament.

A well known Jewish author, Alfred Lilienthal once said that this was something of a phenomenon, that most Jewish people had less of Abraham's bloods in their veins, than their Gentile neighbors.

Have you ever heard a fundamental or evangelical pastor preach on Rev. 2:9, 3:9, where the risen Lord spoke about "those who say they are Jews, and are not; but are of the synagogue of Satan?" I sincerely doubt it! I never heard such a message in over fifty years in a Judeo-Christian church. Have you ever been honest enough to wonder why you can criticize a Catholic, or a Protestant, or a Mormon, or a Seventh Day Adventist, and little will be said about it. But criticize a Jew, even when you are right in your criticism and "all hell breaks loose".

Have you ever wondered why any person who is anti-communist, will invariably be labeled by the media as "anti-Semite?" This was what drove me into an in-depth study of Judaism. For twelve years I was a speaker on the American Opinion Speaker's Bureau of the John Birch Society. The principle theme in the 70's was the danger from communism. Yet when I lectured on topics such as "Gun Control;" "Abortion"; "Sex Education in the Schools"; the "United Nations", etc., invariably the Jewish owned and controlled media labeled me as a "neo-Nazi, Fascist, anti-Semitic, hatemonger". Yet I had never mentioned Jews, Judaism, or Zionism and in those days was still infected with the Judeo-Christian poison that these enemy of mankind were God's Chosen. During the Vietnam War years, I worked the college lecture circuit, where I came into 25 confrontations, some violent, with the radicals who were tearing our colleges apart; men like Jerry Rubin and Abbie Hoffman. On every occasion, these radicals were led by young Jews from wealthy families. It "bugged" me enough that I spent the summer of 1979 studying this seeming Jewish love for communism and found that their leaders reveled in it! The leading American Rabbi at that time, Rabbi Stephen Wise, when asked what he thought about communism replied: "Some call it Communism, I call it Judaism!" My study revealed, to my satisfaction at least, that the Jewish anti-Christ's revered by the Judeo-Christian church, could not possibly be "true Israel," but were instead those our Savior spoke about in Rev. 2:9; 3:9, when He condemned "Those who say they are Jews, and are not; but are of the synagogue of Satan". What kind of a catastrophe it will take to show Judeo Christians the fallacy of their position is beyond me, but it will come if they persist in "helping the ungodly, and loving them that hate the Lord"! (2 Chron. 19:2)

When the Zionists in Palestine murdered Count Bernadotte of Sweden in Palestine in 1948. One of the leaders of the Jewish Stern gang of Jewish terrorists said: "We killed him because of his declared intention of turning Jerusalem into an International city. He was our enemy"! Can you imagine what would happen if a Gentile did this to a Jewish leader who expressed his hatred of our Savior? Suppose Christian Americans said: "We must eliminate all the Jews, because they want to destroy Christianity and turn America into a Socialist nation". Would we be justified in the eyes of God if we did this? Can you imagine the reaction of the Zionist controlled press if this happened?

FBI records are filled with incidents where Zionist terrorists have bombed or desecrated Jewish synagogues in order to put pressure on Jews who were reluctant to support their plans. Yet these facts are suppressed in the controlled media, and are often reported as terrorist "anti-Jewish" incidents.

Why are so-called fundamental and evangelical Christian churches so adamant in seeking to befriend those who hate their Lord? Why do people like Dr. Jerry Falwell and Baptist evangelist Jack Van Impe, back the people they know hate their Lord and are dedicated to the destruction of everything they say they believe in? Must God put a curse on this nation, because His Christian people are supporting His enemies. That's what 2 Chronicles 19:2 says.

The American public, Christians in particular are entitled to know the truth. Our pastors should be in the forefront of giving their people the truth, instead they are guilty of concealing it. We **MUST** demand truth from them, from our government, from our schools, but most of all from our pulpits. In Jer. 23:22, we are told: "but if they (the pastors) had stood in My counsel, and had caused My people to hear My words, then they should have turned from their evil ways, and from the evil of their doings". This has not happened in America, and with 50-million "born again" Christians, this nations is headed for hell faster today than at any time in our existence. Why? It is because we have not received the full truth from our churches.

During the 46 years the Israeli State has been in existence, terrorism against the Palestinians, especially Arab Christians has been the Jewish "modus operandi". They are the only nation who have reveled in having as their leaders known terrorists such as Begin and Rabin, who have been played up by our government and church leaders as "men of peace!" Yet Begin bragged publicly about killing more than 300 Arabs with his own hands. Many Jews were disgusted by his actions, yet few had the courage to speak up about them for fear of A.D.L. retaliation.

The United States, under President Truman swung full force behind this gang of murderers in 1948, and Truman was quoted as saying: "We need to help the people of Israel, since they have proved themselves in the best traditions of our hardy pioneers and the highest standards of Western civilization". He never had the "guts" to define what he meant by "the best traditions and highest standards of Western civilization", unless he was referring to the earliest American gangsters who murdered and robbed the Indians, or of "cut-throats" like Quantrell's gang, from Truman's backyard, who murdered, robbed, and raped during the War Between the States. That's the same class the Zionists are in today!

The liberal politicians greed to obtain Zionist votes and money for their Democratic Party, has cost us the loyalty of at least twelve Arab nations which were our former friends and which are much closer to Christianity in their religious beliefs then the atheist Khazar Jews! The Moslems at least look on Jesus Christ as a great prophet and revere Him as such, while the one's our Judeo-Christian churches back, call Him an "illegitimate bastard!"

A good example of how Americans have prostituted themselves to Jewish interests can be seen in a statement made in 1974, during the gubernatorial campaign of Hugh Carey in New York. He told Zionist Premier Rabin: "Don't pay any attention to the polls; we are behind what Israel does, no matter what they do!"

There would have been a time in our history when he would have been "tried for treason" for such a remark, but in New York they made him their governor.

Probably the greatest mistake ever committed by an American President took place at the end of World War II, when at Yalta, F.D.R. a dying President, with the Jewish traitor Alger Hiss at his side, and equally traitorous Gen. George Marshall in attendance, consented to the brutality of allowing Stalin to use millions of war prisoners as slave laborers, in direct contravention of all rules of the Geneva Convention. At least a million of these unfortunates died in Stalin's slave labor camps. From that time until this, when we are in an unheard of period of Jewish power in Washington, the same Khazar element which took over Russia, has controlled American politics.

Since it is a known fact that Christianity has been closely allied with the founding and growth of America, it has also become a factor in the national unity of America. The acceptance of the basic tenets of Christianity, were the basis of our Constitution and the Bill of Rights. Our concepts of national honor and integrity, in national as well as individual action, came from and were established on Christian principles.

When America's churches began to tire of their proclaimed duty to be the "salt of the earth", (Matt. 5:13) and transferred their loyalty from the risen Christ to a heathen cult they proclaim as God's Chosen, then public moral decline set in, until today, we are tottering on the brink of destruction.

Most of our churches and their followers come under the accusation of Is. 29:13 and Matt. 15:8, 9 - "This people draweth nigh unto Me with their mouth, and honoreth Me with their lips; but their heart is far from Me, but in vain do they worship Me, teaching for doctrines the commandments of men".

Today the greatest threat to America is not from Communist missiles, but comes from the insidious forces, always Jewish controlled, which are working from within, gnawing away at the foundations of America. It comes from church leaders who have prostituted their duty of recognizing Biblical truth and passing it on to their people, refusing to warn them against the enemies who are determined to destroy them, and instead, "cozy up" to these enemies.

Today America is living in the most beautiful house God has ever given to mankind. But those of us who call ourselves Christian have become careless. We have "gone to sleep at the wheel", and in our prosperity, we have allowed the concrete termites to get into the foundation and weaken it. Today our beautiful house is sliding towards the precipice of destruction and the whole world is waiting with bated breath, to see what we will do. Will we head for the basement like intelligent people, get rid of the termites, and shore up the damage they have caused? Will we jump off? or will we ride her down to destruction?

Before I close this message, it is necessary that I bring it "up-to-date" on present Jewish control in America. Most of the following information is taken from Issue No.388, of the weekly newspaper **THE TRUTH AT LAST,** which is considered by the establishment as being "politically incorrect", but which is remarkable in it's expression of the truth.

Under the headline **CLINTON'S CIA HEADS ARE ALL JEWISH!** we read: "The **FORWARD** is a Jewish Marxist newspaper published in New York City. It is one of the most important Jewish newspapers in the country and is a prime indicator of what Jewish leadership is thinking at any given time.

"It's Sept. 29,1995 issue points out that Clinton's new CIA head, John Deutch, is a Jew.

"As soon as he was confirmed, Deutch promptly dismissed all the high-ranking experienced gentile CIA officials and replaced them with a new, all-Jewish staff." (Do you honestly believe this is in the best interests of so-called Christian America?)

"Deutch named the Jew George Tenet, as CIA Deputy Director, the Jew David Cohen as Director of CIA Operations, and the Jewess Nora Slatkin as Executive Director of CIA".

This shocking news has been totally suppressed by the daily newspapers and TV networks. Clinton has actually turned the CIA into a branch of the Israeli **MOSSAD."**

The loyalty of these Zionist Jews is to the Israeli, not to the United States. Why do Jews, who compose 3% of the U.S. population, constitute 100% of the ruling clique of our Intelligence apparatus? Does this sound healthy to you?

During this same period, called by some "Clinton's Jewish Week", Christian Americans for the most part are unaware of the racial identity of those the President has appointed to lead this country, and this information has largely been concealed by the media.

Those who regularly read Jewish newspapers have been astounded by the high number of Jews who

are now in positions of responsibility in Washington, D.C. There is little doubt, that Clinton believes that the Jews with their vast money power and disciplined organizations can re-elect him. It is evident, in spite of his pose as a Southern Baptist Christian, that he hates those who oppose him and will stoop to the lowest level to remain in power, even to elimination of his opponents if necessary.

Here are some of his latest Jewish appointments:

Evelyn Liberman, White House Deputy Press Secretary.

David Tatel, Federal Appeals Court Judge for the District of Columbia Court of Appeals. He is a Washington lawyer, and an officer in the Anti-Defamation League.

Dick Morris, Clinton's private political advisor, possibly the most powerful Jew in Clinton's entourage.

Todd Stern, Chief White House Aide.

Richard Holbrooke, Asst. Secretary of State. If Clinton is reelected this man will very possibly become Secretary of State.

Robert Rubin, Secretary of the Treasurer, a former corporate officer for the powerful Jewish International Bank, Goldman, Sachs, and Co.

Martin Indyk, an Australian born Jew, was picked as Ambassador to the Israeli.

Adm. Jeremy Boorda, the Navy officer who just committed suicide, who was appointed to take over as Chief of Naval Operations.

Stephen Breyer, a radical Zionist who is Clinton's second Jewish appointee to the Supreme Court.

Madeline Albright, Ambassador to the United Nations.

Madeline Kunin, Deputy Secretary of Education.

Dan Glickman, Secretary of Agriculture.

Charlene Barshefsky, Deputy U.S. Trade Representative.

Ira Magaziner, National Health Care Advisor.

Mickey Cantor, National Trade Representative.

Ellen Hass, Assistant Secretary of Education.

Peter Tarnoff, Under Secretary of State.

Robert Reich, Clinton's Chief Economic Advisor.

Alice Rivlm, Deputy Budget Director.

Of the seven advisors on whom the President relies for advise, five are Jewish; Robert Reich, Ira Magaziner, Robert Shapiro, Samuel Berger, and Michael Mandelbaum.

Many orthodox Jews back the actions of the Jewish assassin of Rabin, Yigal Amir. The U.S. News and World Report stated that the assassin "saw his world of unshakable precepts and unalterable truths coming apart, a feeling shared by many ardently religious Jews who believe that the peace process is nothing less than a demonic challenge to Divine plan. "The West Bank and Gaza belong to the Jews by Biblical commitment", they aver.

An article in the LCM's official **LUTHERANER,** stated: "Luther judges very correctly about the Jews", and states that 'The Jews have been drawn away from the Word of God and the simplicity of the scriptures by the nonsense in their Talmud". (The same is essentially true of those Judeo-Christians who back the anti-Christ Jews as God's Chosen).

It goes on to state: "fifty or more years ago some of the orthodox theologians in the Lutheran Church-Missouri Synod, such as Lutheran Hour speaker, Dr. Walter Maier, did not hesitate to point

out the lies, racism, and immorality promoted by the **TALMUD.** The standard of morality promoted in the Talmud gives the Jews the right to take land away from the Arabs who have owned it for centuries. Today it seems that even many conservative theologians hesitate to expose the Talmud 'for fear of the Jews'." (I would have to say a hearty **AMEN** to this truthful statement!)

In December 1987, the **CHRISTIAN NEWS,** a "rebel Lutheran newspaper" in St. Louis stated; **THE TALMUD IS STILL THE HIGHEST AUTHORITY FOR JEWS,** and included excerpts from **THE TALMUD UNMASKED, THE SECRET RABBINICAL TEACHINGS CONCERNING CHRISTIANS** by the Rev. I. B. Prantaitia.

A few years ago, a book appeared in Christian bookstores written by Theodore Winston Pike, and even though it promoted some anti-scriptural Israel-First millennialists nothings, there were many good things in it which Christians need to know. He said: "The Talmud, like the Toldoth, enjoys portraying Jesus as a fool in the most humiliating of circumstances. The unedited editions of (Sanhedrin 107b, One of the volumes of the Talmud) says that Jesus was excommunicated from the temple for seducing a woman, and in His ensuing grief and confusion fell down and started worshiping a brick". Christianity is vividly described in the Talmud as being worse than the "most wicked behavior of any Jew".

In Abodah Zarah, 17a (another volume of the Talmud) it says "Rabbi Eleazer Doria did not leave out any harlot in the world without coming to her.. . yet attained forgiveness because he had not committed the unforgivable sin of accepting Christianity". Likewise on p.84: "Incest is a light sin compared to becoming a Christian".

Almost three decades ago, Elizabeth Dillings, who was accused of being anti-Semitic, published her book **THE PLOT AGAINST CHRISTIANITY.**

She had visited the Soviet Union in 1931 and was shocked by the virulent anti-Christianity of the atheist, Jewish Communist regime.

She begins her book "Bible scholars are aware that Jesus Christ denounced the Pharisees. He said they nullified all the Commandments of God by their traditions. His invective in truth cannot be equalled. All of Matthew 23 is like a whiplash. He likened the Pharisees to a white sepulchre, indeed beautiful outwardly, but "inside full of dead men's bones and of all corruption". He climaxed one after another of His denunciations by calling them "Hypocrites"! He called their religious leaders, the Pharisees: "Children of them who killed the Prophets!"

Dillings noted: "The Talmud's basic law is that only the Pharisee Jew ranks as a man, or human being. All others rank as animals. (This is the meaning of the Yiddish term of contempt, "goyim - a non-Jew animal). Always with Judaism, the Talmud ranks above the Bible in every way."

When Martin Luther, the great preacher of the Reformation read the Talmud, he afterwards wrote **THE JEWS AND THEIR LIES** with denunciations that make utterances by the Popes against the Jews, pale by comparison. Today, this book cannot be found in Lutheran Seminaries which bear his name, and the church he founded, for the most part, under Jewish influence, denounces him as an Anti-Semitic hate-monger.

Without any modern day Jewish encyclopedias, or the English Soncino translation of the Talmud, Luther understood perfectly how the Talmud blasphemes and hangs obscene charge on Christ and His followers, often through "double talk". (The Baalam passages of the Talmud are a good example of this). Luther recognized the fact that any Messiah expected by the Jews in the future was to Lead them to power through slaughter of non-Jews. He wrote: "I maintain that in the three Fables of Aesop there is more wisdom to be found than in all the books of Talmudists and Rabbis and more than can ever come from the heart of a Jew. I am not saying too much, but too little! For I see in their writings how they curse the 'goyim' and wish us all evil in their prayers. Thus they call Him (Jesus) the child of a whore, and His mother Mary, a whore .

Reluctantly I must speak so coarsely in opposing this Devil . . These are the people you folks in the

Judeo-Christian churches, have out on a pedestal by calling them God's Chosen, and contrary to Bible warnings are now supporting with your offerings. (Shouldest thou help the ungodly, and love them that hate the Lord? Therefore is wrath upon thee from before the Lord". (2 Chron. 19:2)

Shortly before Rabin's assassination, **THE JERUSALEM REPORT,** an Orthodox Jewish newspaper, carried an article written by Rabbi Peter Hirchberg which said: "Yitzhak Rabin does not have long to live. The angels have their orders. Suffering and death await the Prime Minister, or so say the Kabbalists who have cursed him with the 'pulsa denura', (Arabic for "lashes of fire!) He's inciting against Judaism says the Jerusalem rabbi who, clad in tefillin read out the most terrifying of curses in the tradition of Jewish mysticism - opposite Rabi n's residence on Yom Kippur.

"The rabbi, who won't have his name published, but identifies himself as a member of the Kach movement (founded by the radical Rabbi Meir Kahane who was assassinated in New York City), says the curse generally works within thirty days. That put the expiring date for Rabin in early November". (Rabin was assassinated on Nov. 4).

This is proof that the ultra-Orthodox of Judaism adhere not only to the literal instructions of Talmudic homicidal hatred, but also to weird cabalistic "black magic!"

Brooklyn Rabbi Abraham Hect, of the ultra-orthodox Lubavicter sect, sanctioned Rabi n's elimination prior to his death. In a speech last June, he warned that it was illegal for Rabin to turn land in the West Bank over to Palestinian control and cited the teachings of Rabbi Maimonides who said that killing those who endangered the Jews was justified. His words were given wide circulation in Jerusalem by government leaders.

It now appears that Orthodox Jewry, long a threat to Christians, now poses a danger to Jews who will not walk the "narrow path of hatred they have marked out!"

The greed and hatred of Jews for true Christianity can be seen in their efforts to control all means of dispensing the truth.

The recent Jewish purchase and change in Walt Disney Enterprises is a good example. Walt Disney was aggressively anti-communist and was aware of the Jewishness of communism. Today, he would "turn over in his grave", if he learned that left-wing billionaire Jew Michael Eisner, was the current owner of Disney Films, and that he is already churning out Anti-Christian pro-homosexual propaganda such as the move **PRIEST** (about a homosexual Catholic priest). This smirking Jew is today making a mockery of the Disney name and everything he stood for.

Eisner recently hired Luren Loyed, a producer of X-rated lesbian films, to produce "dykeish" films for Disney. Recently he promoted "homo day", at Disney World in Orlando, Florida, where Christian families were treated to a spectacle of open homosexual behavior, the likes of which could not be seen outside of New York City or San Francisco.

Eisner hired Victor Salva, of the independent Disney Affiliate, Caravan Pictures, a "convicted child molester", to direct the movie, **POWDER!**

When complaints begain to flood in, Jew spokesman Roger Bimbaum whined: "The man (Salva) is trying to do good now . . . if he has something to contribute to society, and it happens to be in film, let him do that... He paid for his crime, he paid his debt to society". Salva had video-taped himself having oral sex with a 12-year-old girl and three of six previous charges he had pled guilty to. Prosecutors noted that Salva, like many other pedophiles, "sought out positions through which they could contact young children". He claimed to be a writer of children's books, and had worked at a day care center. As a long time producer of wholesome family films, Disney would have been horrified to know that his good name was being used by deviates to infect America with their agenda. If you were to study the filth in the Babylonian Talmud, you would understand why Jews gravitate to it and it is very possible that the Jew controlled **NATIONAL EDUCATION ASSOCIATION,** will soon require your children to view these films as part of their "sex education" classes.

Several New York City public school officials have been found to be members of **NAMBLA** (North American Man-Boy Love Association), which encourages homosexual love between grown men and under aged boys - strangely enough, both of the men convicted have been Jews.

It is also interesting to note, that **THE JEWISH WEEKLY** for Oct. 28, 1993 stated: "A greater percentage of immigrants from the former Soviet Union received some form of government financial assistance in the last ten years than did immigrants from other countries.

"The study found that 15,068 Soviet refugees. 38.6% of all Soviet immigrants received assistance. Most of these are believed to be Jewish.

"By contrast, the Korean community, considered to be a model immigrant group, had a 5.9% who received government assistance, while only 0.9% of the recent Irish immigrants received help.

"For the sake of this study, public assistance included such entitlements as refugee aid, Medicaid, Social Security and food stamps. Immigrants from Russia are the only ones of 22 immigrant groups studied who have refugee status. Refugees are entitled to food stamps and Medicaid". This is the brazen position taken by the Jewish vampires who prey on our good will. I am not writing this to cause you to hate Jewish immigrants, but to show you how you are being used by International Zionists, while at the same time they hate you as a Christian.

How many American know about this "ripoff", that according to Diana Aviv, Director of the Jewish Community Federation's Washington office has admitted that while other racial groups non-profit agencies received 35% of their funds from the government, the Jews received 41%. In New York City, this skyrockets to 62% or $1 2.4-billion. It should be noted that the Jews who run these "nonprofit" agencies are paid salaries ranging in the six figure rate!

Jews from Russia are flooding into this country at the rate of 40,000 per year. It appears the Jews in America, running their "non-profit" welfare agencies, know exactly how many Jews will be persecuted. A law boosted through Congress by Jewish Senator Frank Lautenberg, (D-NJ) requires that our immigration agents accept the claims of Russian Jews without verification.

Many of these Jewish immigrants have been in America for five or more years. They often have relatives holding down good jobs who could help them, but they demand government assistance. They are the only immigrant group who can immediately draw a considerable sum when they arrive and go on immediate welfare. As a result America has become the "Land of Promise" for world Jewry, rather than the little country of the Israeli in Palestine.

Adding to a general dislike of Judaism, we must look at what appears to be the unconstitutionality of various state laws which recognize and give enforcement powers to various Jewish community organizations over Kosher food. A Federal Appeals Court in Maryland has struck down one such law as "violation of the First Amendment separation of church and state".

Very few non-Jews understand what it means to have a product verified as Kosher.

There is no law among Jews requiring that they eat only food certified by a Rabbi. Until the 1920's only meat could be defined as "kosher". For meat to be "kosher", a rabbi, called a "shoothim" would cut the beast's throat and allow it to flop around the slaughter house until it bled to death. "Shechita", or Kosher slaughter, has been condemned as being inhumane and is banned in Sweden. Such practices were rare outside of heavy Jewish communities such as New York City, Los Angeles and Miami.

The practice of putting a kosher seal (usually a U or K) on foodstuffs originated as a marketing ploy in New York by Jews advertising to Orthodox Jews. Food labeled as "kosher" would be advertised over a Yiddish language radio station. None of the products were actually inspected by a rabbi, but received a **K** or **U** to certify that they were "kosher".

This business prospered and its founder, Joseph Jacobs, saw bigger profits in linking his company with the Jewish religion. Employing a group of Jewish rabbis, he formed a group called **THE**

COMMITTEE FOR THE FURTHERANCE OF TORAN OBSERVANCE. The success of this group spawned several competitive Jewish groups, including one who uses the **U** as it's "hechser" (kosher seal of approval).

Today, there are more than a dozen major "kosher certification groups' in the country who for a fee, from a food company, will allow their seal to be placed on it's product. Of course the gullible ','goyim", is the one who "picks up the tab for this "Jewish rakeoff". The Jew, operating under Talmudic law, will take everything he can get from the Gentile, either by illegal practices such as this kosher business, Foreign Aid in the billions to the Israeli, or money you gullible Christians give to them through your Judeo-Christian church. All the time, their leaders are doing everything possible to destroy what you say you believe in. Makes sense, doesn't it? Sort of like planned religious suicide!

I have hit on only a few Jewish practices which are common in this country, and which eventually will lead to another Jewish expulsion, when you "brainwashed" Christians learn how you have been deceived! There are going to be some **TRAITORS** in the pulpits who will also have some frightening moments when the truth gets out!

It is also interesting to note how the Anti-Defamation League wrote to the governors of 28 states **DEMANDING,** that new legislation be implemented outlawing participation in a para-military organization. (Of course this will not effect militant Jewish organizations such as the Jewish Defense League, which according to the FBI, carry out more terrorist activity in America than any other group). It is interesting to note that many of these para-military groups have been investigated by Congress and have not been found in violation of any Federal Statute. In fact they are protected under our Constitution.

Much of the effort to ban guns is being carried out under Jewish pressure, The One Worlders, headed by the International Jewish Banking bandits, **KNOW** that before they can institute their New World Order in North America, our people **MUST** first be disarmed. Become active in the battle to secure your rights as an American under the Second Amendment. Make sure your family understands the necessity of having weapons for their protection, not only against common criminals, but more important against the criminals in the World Government who seek to take away our means of defense. **REMEMBER,** the Second Amendment was not written to protect your rights to go hunting, or fire your weapon on a gun range. It was written as a last ditch stand against any repressive government, which turned from being a "servant of the people", into an "insatiable monster who seeks to control us!" As proven by the present Administration!

There is a move underway now in the Jew controlled Clinton Administration and his Zionist One World bankers, to terminate the National Guard. They want to eliminate all National Guard combat troops in a series of steps which will begin with dropping 110,000 sometime near the end of this year. The excuse of course, is to "save money". But while a few million might be saved by doing this, this same Administration is wasting billions in their support of the One World United Nation Forces, who are to become the "bully boys", of the New World Order.

During past years, the military has had a huge reserve in the National Guard, as a hedge against any enemy attack. Now the Pentagon, again under Zionist pressure, is planning to eliminate $1-billion a year in pay, training and equipment costs, and to decertify the 386,000 Army National Guard. We have a beautiful example in Switzerland, which scares the Internationalists.

In this little country, which has often been surrounded by enemy in the past, every adult is required by law to have a military type weapon, one with automatic fire capability, stored in their residence with a supply of ammunition and available at a moment's notice. Each adult male through the age of 55, is required to take part in annual military training, and the Swiss women are required to support and take part in civil defense activities. With this sort of intelligent outlook, the Swiss people have never been conquered in modern times.

Today, we have no Civil Defense capable of any substance and we will be left to take care of

ourselves in case of a "worst case scenario". While some plans have been made to protect government and business "big shots", in case of an attack, you as an American citizen are not included in their plans.

Significant elements of eight National Guard Divisions are located in 25 states which control 363 electoral votes, so the battle is not yet over, if concerned Americans will wake up and take a stand!

Contact Rev. G. V. Montgomery (D-MS) at (202) 225-2403 or the Federal Building at PO Box 5618, Meridian, MS 39301, and Edward Philbin, Executive Director of the National Guard Association, 1 Massachusetts Ave., N.W. Washington, DC. 20001, (202) 789-0031,to see how you can help!

The conspirators want to shut down all live ammunition training and transfer the few men remaining from combat units to "supply and support" operations.

The National Guard has served in many emergency operations throughout the years and is a vital part of our National Defense. We **MUST** not allow the enemy to succeed in disbanding it.

While I have spent many pages spelling out the International Zionist threat to Christian America, 1 want you to understand that the Jews and aliens are not the **CAUSE** of our problems. They are the **EFFECT** of White Israel disobedience, (read Deut. 28 for confirmation). We who care about America's future and that of our children must never lose hope. We must proceed with boldness and joy, knowing that God has promised us victory, if we will put our faith in Him, and **OBEY!** Many Christians believe that America has "passed the point of no return". I cannot accept this. To do so would make God out to be a liar!

In the Old Testament, 2 Chron. 7:14, is a verse which many of you know by heart. It is quoted in many churches. Unfortunately very few Christians who quote it are willing to put feet under it and watch it work. It says: "If **MY** people (true Israel) which are called by My name (Christian), shall **HUMBLE** themselves, and **PRAY**, and **SEEK** My face, and **TURN** from their wicked ways, then will I **HEAR** from heaven, and will **FORGIVE** their sin, and will **HEAL** their land". No "ifs", "and's", or "buts", about it! (The emphasis is mine!)

I firmly believe that if as little as one-fourth of the people in American, who go by the name of Christian, would "fall in love with their king to the point where they would obey Him", then we would see God work in miracles, as He did with our forefathers in Egypt.

But Christians **MUST** get out of their "spiritual foxholes", where they have been passively hiding, waiting for Christ to come back and Rapture them out of the mess caused by their apathy, it would give new life to the few patriotic men and women we still have left in government. It would free Americans from the haunting fear which now hangs like a poisonous pall over this land.

In Alan Paton's book, **CRY BELOVED COUNTRY,** he has written these words which should be an inspiration to every American who cares:

I shall no longer ask myself is this or that expedient, but only if it is right. I shall do this, not because I am noble or unselfish, but because life slips away, and because I need for the rest of my journey a star which will not play me false ... a compass that will not lie! I do it because I am no longer able to aspire to the highest with one part of me and deny it with another."

This star is our faith in **YAHWEH** God; this compass is His **WORD, YASHUA,** the **CHRIST,** which was "made flesh and dwelt among us", and who can once again bring us back into the paths of righteousness and with this to the true greatness God has in store for those who love and obey Him. Then and only then can we realize His promise in Isaiah 54:17 - "No weapon that is formed against thee shall prosper, and every tongue that shall rise against thee in judgment thou shalt condemn. This is the heritage of the servants of the Lord, and their righteousness is of me, saith the Lord!"
